

Please tick

YES, we wish to participate in the EVelocity electric vehicle programme in 2017.

School: _____

Teacher name: _____

Mobile #: _____ **Email:** _____

of teams anticipated: _____

Terms & Conditions

Schools joining the EVelocity competition for the first time will receive one fully sponsored standard componentry kit, (including battery, controller, motor and charger unit). This kit must be used by a school team to build an electric vehicle to participate in a regional EVelocity event at the end of the year in which the kit was supplied. Should this condition not be met, the school will have 3 options:

- *Return the kit to EVelocity*
- *Purchase the kit from EVelocity*
- *Commit to participating in a regional EVelocity competition at the end of the following year.*

A school receiving a free kit must undertake to:

- Recognize sponsors as required by EVelocity, via logo stickers on their vehicle (EVelocity will supply) and via social media and other local publicity;
- Participate in all categories of the competition (*Performance, Innovation, Show, Reporting and Community Awareness*).
- Have their vehicle comply with the technical regulations for the EVelocity competition, which are published on the web site at www.evolocity.co.nz.
- Pay the \$50 + GST fee per team for entry into the Regional competition.
- Attend a minimum of two regional Build Days organised by Evolocity.

Note: Additional kits may be purchased from EVelocity for \$400 + GST per kit. (*cf \$1600 retail price*)

Please return your completed form via email to Levinia Paku: Levinia@weca.org.nz
